on Rs 80 & 7 & Dr M. Srinivasa Rao has two orderlies on Rs 7/. Each as Chemical Examiner & Govt Bacteriologist.

March Dr Mylvaganam is attached to the Victoria Hospital he may have his own work to do as a Specialist & cannot always depend on the orderlies attached to the Medical Officer. He may therefore be allowed one orderly on Rs 7/. per mensem so long as he is attached to the Victoria Hospital.

Submitted.

No officer can claim as a matter of right the employment of orderlies to attend on him merely because certain other officers of his rank or status have them. The question is whether the orderlies now in the service of the Victoria Hospital can also do the work of this additional member of the Hospital. If the case

were really so, it would have been the duty of the officer in charge of the Hospital to apply for an addl orderly. The present reference ~~has arisen~~ is from Mr Singaravelu & it is stated by that officer that it is a privilege to which he is eligible under the rules of Service like other officers of the Cadre. This branch is not aware of any rules entitling the officers of this or that status for any no: of orderlies, irrespective of the actual necessity for the employment of such orderlies to do the work of pats. ~~The application may be rejected~~

I think the file relating to the retrenchment of the Head-Quarter menial establishment contains some discussions as regards the privileges of certain officers in the matter of being provided with personal orderlies. Please look up the above file & a copy of the G. O sanctioning the retrenchment of the menial establishment.
